

GN PACKAGING

Full Product Catalogue & Buyers Guide 2026

Our Premium Packaging Solutions

Welcome to the GN Packaging 2026 Product Catalogue.

We offer a diverse range of 70+ premium packaging models specifically tailored for Food & Beverage, Industrial, E-Commerce, and Cosmetics sectors.

1. Food & Beverage Packaging

FDA-approved, moisture-resistant inner liners, and thermal insulation options.

2. Industrial Shipping

Heavy-duty multi-layer corrugated boxes (up to 80 ECT) for maximum protection.

3. E-Commerce Mailers

Lightweight, tear-resistant poly and kraft mailers with self-sealing adhesive.

4. Cosmetics & Luxury

High-end soft-touch finishes, foil stamping, and magnetic closure rigid boxes.

5. Custom Printing

7-color litho-lamination, UV spot gloss, and vibrant flexography capabilities.

6. Sustainability

100% biodegradable and recyclable materials sourced from sustainable forests.
